Doug's Corner

Our first tour of 2013, the MVTF event, sold out weeks ago. But there are many more planned, and it looks like a great year in all areas of Diablo activities: social events, driver's education, technical sessions, and tours. Just take a look at the 2013 calendar in this month's Advocate.

I'm truly honored to be elected President of this chapter again for 2013. One of the recent joys of the job was accompanying Vu Nguyen (Executive Director PCA) to present David and Laura Atchison, Diablo Members from Alameda, with their new Boxster S last month. In case you didn't hear, David is the winner of the National PCA Fall Members Only Raffle. It took a lot of behind the scenes work from Vu to set up the surprise presentation. Seeing their expressions of joy, astonishment, excitement, disbelief, and probably a few other emotions, was contagious. Our thanks to Fremont Porsche who provided a very new "sample" white 2013 Boxster S and a large blue bow. Right about now, Dave has probably made up his mind as to what configuration he wants and I expect the Boxster order will be placed early this month. It turns out he had recently sold his previous Porsche, a Cayman S, and was in the process of sorting out various options for a new Porsche. The timing could not have been better. My role was merely to take some video and drive the car to and from the presentation location at his office in Oakland. PCA does these twice a year. How many tickets are you going to buy for the Spring Raffle? Congratulations Dave and be sure to bring it to Diablo events so we can all gawk and make jealous comments.

And, if you haven't signed up yet, don't forget our Annual Awards Extravaganza is coming up in a few weeks. Hope you can join us at the Blackhawk Museum. We have many people to thank and honor, great cars to admire, lot's of door prizes, really good food, and our speaker, the Editor of Excellence Magazine. It's going to be a great 2013.

**By Mike Roberts,
Driver Education Program Chair**

Fortunately, we passed the latest 'end of the world' day on December 21st without incident, so it means we can now think ahead to 2013...

We have track dates secured; Thunderhill on March 15th and Laguna Seca November 26th, as well as a second potential Thunderhill date on October 29th. It would be terrific if we could do these and more...to build on 2012 with our pre-event briefings, karting and other related activities to enhance the program.

Recently, we pulled together a group of members to discuss the feedback from our driver surveys, their experiences in 2012 and what Diablo DE strategy should be next year and beyond. **We continue to see the nucleus of the DE program - the track events - as opportunities for Porsche drivers to experience safe, fast, fun.**

We attract those who want the exhilaration of high performance driving and learning to do it better, with a bunch of like-minded people and with minimum risk to car or self.

Most frequent feedback we received from surveys was drivers want more instruction across the run groups.

The 'model' in 2012 was three run groups (Beginners, Intermediates & Advanced), with instructors running in the Advanced Group where we have relatively few drivers. With a maximum of 60 participants, ~20 drivers in each run group (at Laguna Seca we had 18 instructors), it is hard for instructors to help outside the Beginner Group as it means they would be working or driving 100% of the day! Many clubs use a 4 run group model, which means instructors have their own run group. However, this shortens track sessions for everyone and to an extent, loses the uniqueness of the Diablo experience...we will continue to strive for the right balance between track time and space on it!

In 2013 we are in the position of having a much stronger DE

program and participation than a year ago. So, our top priority is forming a larger 'core team' of organizer/volunteers to establish a Diablo DE committee who will communicate regularly and 'steward' the success of the program. Most importantly, who will take a share of the workload – it's not onerous, but the more help, the lighter the load!

Email me at dechair@diablo-pca.org or give me a call on 925 425 9338 if you are interested.

Let's continue building on the unique program we implemented in 2012.

Happy New Year!

Attitude weighs nothing. So we piled it on.

Only the most potent ingredients made the cut. Introducing the new Cayman R sports car. Aluminum doors and special 19" alloy wheels help shed 121 lbs. A lowered stance and an improved suspension allow for more connected handling. And an interior stripped to the essentials adds potency to a more powerful 330 hp engine. Test drive the new Cayman R. A vicious process of elimination never felt so generous. Porsche. There is no substitute.

Porsche of Livermore now has available spots for your Cayman R special order! These won't last long so order yours now!

Porsche Unveils 2013 Cayman in LA

By Shane McGlaun
Slash Gear.com

Sports car maker Porsche was on hand at the 2012 Los Angeles Auto Show and took the opportunity to make the world premiere of the new 2013 Cayman. The 2013 Cayman represents the third-generation of the car and Porsche promises it's completely new. The 2013 model is lower, longer, lighter, and faster according to Porsche.

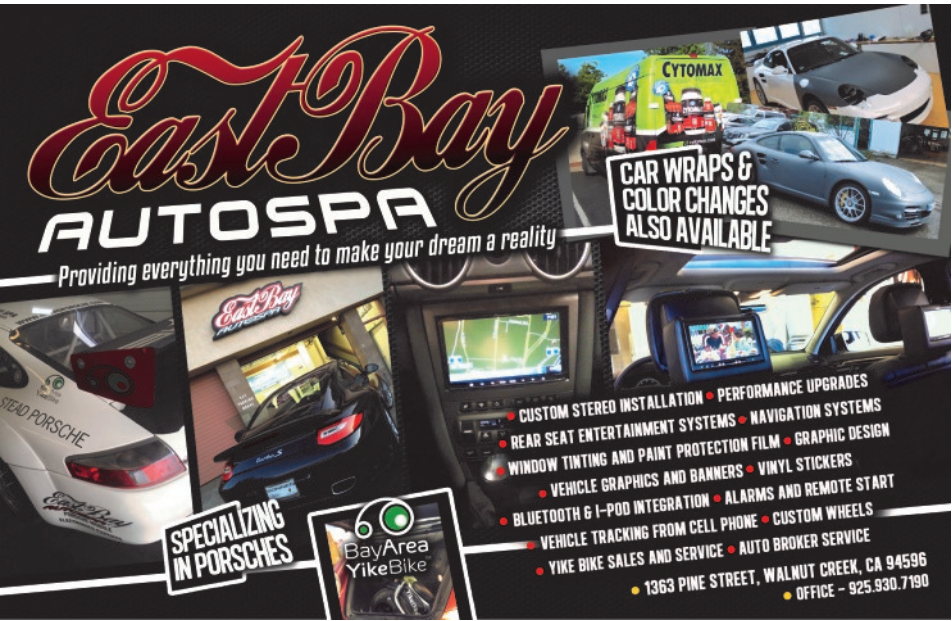

Porsche also promises that the new Cayman is also more efficient and more powerful than ever. Porsche says that the new Cayman is up to 30 kg lighter than the previous model depending on the specific version and how it's equipped. Porsche also notes that the new Cayman uses 15% less fuel per 100 km and the outgoing version of the Cayman.

Porsche stuck to the formula that has made the Cayman successful with the 2013 being a two-seat mid-engine sports car available as a standard Cayman and the more powerful Cayman S. The base Cayman uses a 2.7-liter flat six-cylinder engine producing 275 HP. The base Cayman is

able to hit 100 KMH in 5.4 seconds with a top speed of 266 KMH.

The high-end Cayman S has a larger 3.4-liter flat-six engine producing 325 hp. This version is capable of reaching 100 KMH in 4.7 seconds when properly equipped and boasts a top speed of 283 KMH. The newly designed Cayman also has new optional features available for the first time including adaptive cruise control. Another first-time feature is an optional Burmester sound system. The Cayman also gets a new optional keyless Entry & Drive system. Pricing and availability is unknown at this time.

A collage-style advertisement for East Bay Autospa. The main title 'East Bay AUTOSPA' is in a large, stylized red and white font. Below it, the tagline 'Providing everything you need to make your dream a reality' is written in a smaller, italicized font. The collage includes several images: a white Porsche Cayman with 'East Bay' branding, a blue Porsche Cayman, a green and red truck with 'CYTOMAX' on its side, and a car with a white wrap. Text boxes and lists are overlaid on the images. A box in the upper right says 'CAR WRAPS & COLOR CHANGES ALSO AVAILABLE'. A list of services is in the lower right, including custom stereo installation, performance upgrades, rear seat entertainment systems, navigation systems, window tinting, paint protection film, graphic design, vehicle graphics and banners, vinyl stickers, Bluetooth & i-pod integration, alarms and remote start, vehicle tracking from cell phone, custom wheels, Yike bike sales and service, and auto broker service. At the bottom right, the address '1363 PINE STREET, WALNUT CREEK, CA 94596' and phone number 'OFFICE - 925.930.7190' are listed. A 'SPECIALIZING IN PORSCHE'S' badge is in the lower left, and a 'BayArea YikeBike' logo is in the bottom center.

And, We Have a WINNER!!

Did you buy a raffle ticket for this year's PCA Members' Only Raffle for a new 981 Boxster S plus \$25,000? Well, one of our Diablo members did and won that wonderful prize!!

Congratulations to David and Laura Atchison!

Our own Diablo Region President, Doug Wiebe recently worked with Vu Ngyuen (PCA Executive Director) and Porsche of Fremont to surprise David and Laura with the news of their winnings.

Porsche of Fremont lent a new Boxster S to surprise the winners. Doug drove the car to pick up Vu at SFO and then on to David's office. Laura was waiting in the garage at David's work with a blown up version of the winning ticket and the Boxster parked at the bottom of the stairs.

AVENUE OF THE GIANTS / LOST COAST

CASUAL TOUR SERIES: TOUR 1

MARCH 2-3, 2013

Ready for a scenic drive up Northern California to view the amazing redwood forest? Our tour will depart from the Buttercup Bar & Grill (660 Ygnacio Valley Blvd, Walnut Creek) at 8 a.m. As we leave the congested city, we will emerge into the countryside for some famous sightseeing spots and photo opportunities.

Our lunch break will be at the historic resort "Benbow Inn" in Garberville. Afterwards, we will enter the "Avenue of the Giants" featuring an amazing display of Redwood trees—many over 900 years old—on a scenic route! Our first day will end at "The Scotia Inn" in Scotia.

On Sunday, after breakfast, we will make our way up to Ferndale and start the famous or perhaps infamous "Lost Coast" drive through the alpine forest and a breath-taking descent to the ocean. Our drive will continue along the Mattole river and Humboldt State Park. We will enjoy lunch along the way before heading home.

DETAILS:

Suggested to carry water and snack along in your car and bring a camera to capture the moments!

Saturday March 3rd

- Lunch at Benbow Inn = \$ TBD
- Lodging at [The Scotia Inn](#), 100 Main St, Scotia. We have 12 rooms reserved at 20% discount from their winter rates.
