Ed's Comments

I hope everyone had a wonderful holiday! I wish you all a Happy New Year! What a year it has been; I met a lot of new faces and reconnected with our regulars. Thank you all for coming out to the events and helping make them fun-filled.

I want to thank Bob and Christi Hilton for hosting the Christmas party at their home. More than a few folks told me what a great time they had and what great hosts the Hiltons were. The drive through the neighborhood was nice as well; good thing I didn't lead the group. Folks who went to the Grand Island tour and Kelly G. know what I mean. The white elephant gift exchange was mild in my group compared to other groups when I dropped in on them. When there's wine, it's game time.

Thank you all for bringing the wonderful calorie-free treats I enjoyed at the party. Miraculously, I ate a ton and didn't gain a pound.

I hope to see you in January at our Annual awards event at the Blackhawk Museum. Thank you Elsie Lum for helping with the setup of the event. The cost includes a nice buffet catered by Scott's Seafood and admission to the Museum. We will have docents for the guided tours. If you haven't registered yet, the event is available for registration in the goodie store.

The winter break is almost over and your Diablo board will be back at work setting up events for 2014. Thank you board and chairs for your hard work.

A sad note to end the year, we lost Jacquie Lietz during the holidays. Those of you who knew Jacquie remember her tireless energy and devotion to the club and members. She touched a lot of folks including me. You'll forever be in our hearts Jacquie.

Diablo Driver Education Program

Update by Kay Maloy

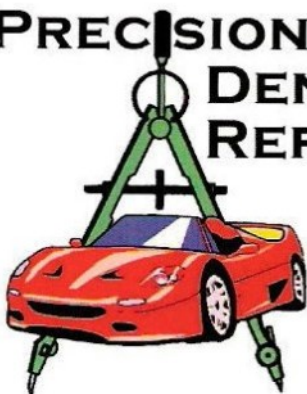

As we leap into 2014, there are many DE enthusiasts with vivid memories of their driving experiences from 2013 still running through their minds, perhaps even popping up during dream time. Well, watch for announcements to be hitting your emails soon because there is a Thunderhill Track Day coming up in March. It should be up on Motorsportreg.com soon.

The date for the DE 101/102 will be announced soon along with information regarding track inspections. As details get finalized, we will be sure to pass them along to you.

As you know, we are still searching for a DE Chair and we are very close to filling the position. We always need volunteers to help with the day's activities, so let Adam Cipriano, our DE Registrar, know if you are interested in helping.

Thanks again to Mike Roberts for setting the blueprint for Diablo's DE Program.

Holiday Cheer

Celebrating the holiday season was a little merrier this year with a visit to our gracious hosts, Bob and Christi Hilton at their lovely home. The house glowed with Christmas in every room, including a roaring fire on the big screen accompanied with carols softly playing.

With each arriving guest, came more delicious treats to enjoy. The kitchen became a sea of colors and aromas tempting everyone to try one of everything. No one would go home hungry. Christi made sure every sweet tooth was satisfied with a gorgeous assortment of treats to nosh on your way to a sugar coma.

Bob led everyone on a drive through the Ruby Hills neighborhood ensuring we all got a view of the beautiful lighting and decorations that had been painstakingly created. Upon arriving back at the home base, we divided into 3 groups in 3 rooms to participate in a White Elephant Exchange. From what I could tell, there were some fantastic gifts and some, well, “interesting” ones. Everyone had a great time chatting, eating and getting to know both new and old members.

Thank you again, Bob and Christi for opening your home to all of us!!

Take the performance that Porsche is known for. Then add to that the strength of a 400 horsepower engine, the design and greater stability of a wider body, the extraordinary traction and agility of all-wheel drive, and an unmistakable illuminated rear light strip. The sum of which is a sports car that holds your attention as tightly as it holds to the road. Porsche. There is no substitute.
