Ed's Comments

Rain and more rain, but we really need it bad! But that won't dampen our enthusiasm to go out there and have fun!

We started the month with Super Bowl excitement at Walt's for the Super Bowl party. Thank you Walt for hosting again, it was fun to see everyone get together and root on their favorite teams. I think there were just 2 Bronco fans from the team wear worn. Diablo folks must be clairvoyant. We had plenty of delicious treats and soothing words for our Bronco fans.

We also kicked off the tour season with the first tour of the year by Lillie for the Big Cats tour to the Kirschner Wildlife preserve and the Oroville Dam. We were on the road by 7:30 am, not being an early person it took a lot to get motivated, but that soon gave way to excitement as we departed for the long drive escaping the bay area. It was just the mini vacation I needed. I couldn't believe our luck, temperatures rose to 80 degrees in the afternoon. Our first destination was Kirschner's and we were met by our guide who answered our questions on the various animals there. There were various gorgeous cats, but I was especially fond of the Liger and its large size. I saw a lot of cameras snapping a lot of pictures. (If you are on face book, search and "like" our page Diablo Region Porsche Club of America to view posted pictures)

Then we headed to Hof Brau in Oroville for a late delicious lunch. Sorry to Karl Siedlebach that the Hof Brau didn't serve beer. His wife Elsie told me Karl, who's German, was excited about having lunch at a Hof Brau. Next time we'll have to bring some beer.

After lunch we headed to the Oroville Dam for pictures and a presentation about the Dam and our soon to be dire drought situation if we don't receive a lot more rain. I was surprised where the water is today and where the waterline was. That inspired more than a few folks to think about how we use our water. Kelly did you get the 55 gallon rain barrel yet? We took pictures and crossed the dam and headed to the fish hatcheries, being a city person I had no idea the operation runs year round.

After a long day some folks headed home while others headed for the Feather Falls Casino for the night. We had some very nice large rooms and enjoyed each other's company at the pool with a mixer put together by Lillie. . Lillie enlisted her friend Genie and Kelly to help her put

out and reheat appetizers. I was asked to push a cart and guard the food; you know, guy tasks. I'm happy to report the food was not spilled on the way to the pool and nobody mooched food. Mission accomplished.

The next day we had an impromptu day and headed to Chico for a tour of the Sierra Nevada Brewery, shopping and the Abby of New Clairvaux. We had a nice dinner at a roadside steakhouse and then headed home. The day was filled spending time with our club folks and friends. It was one of the most fun filled weekends I've had. Thank you Lillie.

I may be encroaching on the March column but I want to thank everyone who came out to the Tesla Center drive and drive some more event. I want to thank Talyor Gasman and his manager Jared Worten for hosting us and accommodating our large group. They went all out to accommodate all our folks, we had 145 folks signed up for this event which included test drives. With rain looming I was really glad the weather held out. The folks at Tesla brought out 8 cars and 14 folks to run the event including a barista to serve up coffee drinks. For this event, there were a lot of Diablo folks that came to their first Diablo event. I was thrilled to meet them and hope to see them again soon in other events.

Speaking of other events, Vern and Howard has the Mendocino tour coming up which promises to be a nice relaxing leisurely tour. And our first Diablo DE of the year at Thunderhill on Friday the 21st. I'm all signed up and I hope to see you there.

Stay dry and be safe, see you soon.

Diablo Driver Education Program

Hello fellow drivers. Our Drivers Education committee has been working hard these last several weeks to put together our upcoming track day event at Thunderhill on Friday, March 21 and we're almost ready to go. We still have a few slots

open for intermediates and advanced drivers so if you are interested, sign-up on www.motorsportreg.com.

PCA Diablo Offers A Unique Track Day Experience

Our events are Porsche only events with limited size run groups and a limited number of groups that guarantees our participants plenty of track time and plenty of track space. And, because we take safety seriously, our events follow a strict code with point-by only passing and specific passing zones tailored to maximize fun and safety for each run group. Plus, lunch is always included and delicious and free bottled water is available all day. Lastly, our instructors not only provide in car instruction but also classroom download sessions to give everyone a chance to come up to speed both on and off the track.

We Have a New Website

Please visit www.diablo-de.org. You can of course get to it directly or go through our existing site and click the Drivers Ed button. It contains a wealth of information about our program, about track driving and has all the documents, schedules and forms you need. Please check it out. Special thanks to Mike Roberts for all his work on our new site.

Please Patronize Our Sponsors

Our sponsors have once again generously committed to supporting our program with Michael Stead Porsche in Walnut Creek sponsoring our lunch at Thunderhill on 3-21-14 and offering free tech inspections to participants. As well, Fremont Porsche and Kahlers in Dublin also agreed to offer free tech inspections for our track day event participants.

Get Involved

Please consider getting involved as a volunteer with our DE team. We are always looking for volunteers with as little as an hour a week to assist us in the planning and execution of these fun days and the events that surround them.

Please contact me directly at dechair@diablo-pca.org if you would like to help us.

Diablo Movie Night

When: Saturday, March 29

Time: 7pm Movie

**Where: Walt Lietz home
920 Cochise Court
Walnut Creek**

Popcorn, candy and ice cream sundaes served at intermission. Bring your own Adult beverages.

Movie: RUSH

Rush is a 2013 British-German biographical sports drama film directed by Ron Howard and written by Peter Morgan about the 1976 Formula One season and the rivalry between drivers James Hunt and Niki Lauda. It stars Chris Hemsworth as Hunt and Daniel Brühl as Lauda.

There are scenes covering several racing events in multiple European locations. Mixed in with the exciting racing are romance, intrigue and suspense. A racing movie with something for everyone.

Run time is 122 minutes.

Blue Lakes Tour

The Casual Tourist Series - Tour #2 led by Lillie Echevarria

April 5-6, 2014 (2-day Tour)

After a long cold winter and taxes almost done, it's time for colorful backroads and fun in Butte County!

Our tour will start from the Buttercup Restaurant (660 Ygnacio Valley Blvd, Walnut Creek) with driver's meeting at 8:15 am and departure at 8:30 a.m.

Heading north, we cross wine country backroads, smelling the fresh spring aromas to our special lunch location hidden up in the mountains passed Napa Valley. Afterwards, we contour Clearlake for a stop at boutique winery before arriving to our accommodations for the night.

The Lodge at Blue Lakes is holding all rooms for us until March 19th.

The Lodge has different room configurations: some rooms have beautiful views of the lake, or perhaps one with a Jacuzzi, kitchette, bathtub or shower. First come first serve, so sign up early and reserve by calling 707-275-2181 - \$250 couple; \$185 single. Mention Diablo Porsche Club to get the package rate which includes: accommodations, electric yacht short sunset cruise with champagne, dinner (buffet: tri-tip, lemon herb chicken, penne arrabiata, rosemary potatoes, green salad, mini cheesecake w/ice cream, coffee, tea and bread); breakfast (scrambled eggs, bacon, French toast, Danish, bagel, bread, fruit, waffle, cereal, OJ, decaf or tea). Check: <http://thelodgeatbluelakes.com/?redirect=false>

On Sunday, we will continue our adventure thru more twisty roads through Boonville, stop at an Italian restaurant for lunch in Geyserville (Cost TBD) and a stop at Francis Ford Coppola Resort where you can admire some Godfather memorabilia before heading home.

Tour Cost = \$25 per person Includes: Lunch Saturday. Wine tasting on Saturday/Sunday and lunch on Sunday are optional and payable at location. Tour cancellations after March 31st will incur a \$10 charge. Contact hotel for cancellation policy. **Registration will close by Thursday, April 3rd**

To register, go to the Diablo PCA Event registration link at http://diablopca.clubstore.us.com/product_info.php?cPath=500000&products_id=500024

For questions, please contact Lillie Echevarria at (925) 549-5454 or lillie62peru@sbcglobal.net

It's Bocce Ball Time!!

**Werks Reunion, A Porsche Gathering
Coming to Carmel Valley, CA
August, 2014**

The Porsche Club of America is set to begin a new tradition in 2014 with the inaugural Werks Reunion. The new, premier Porsche event will take place on Friday, August 15, during the world famous “Car Week” on California’s Monterey Peninsula.

In years past, PCA co-hosted Legends of the Autobahn at the Rancho Canada Golf Club. For 2014, the club will host a dedicated event to celebrate Porsche automobiles on the very same fairways. Expect a breathtaking array of Porsches, from rare classics to customs, race cars, current models, and everything in between. PCA will host the event with participation from Porsche Cars North America. National PCA Sponsors will also be present with exhibits and displays.

Werks Reunion is open to all and tagged as “A Porsche Gathering?” for a reason: PCA is inviting other Porsche clubs to join in the fun! Werks Reunion is intended to be a new way for all Porsche owners to mingle during Monterey’s annual auto extravaganza. As a result, the Porsche Owners Club, Porsche Racing Club, 356 Registry, 356 Club, Early 911S Registry, R Gruppe, 914 World, and all Porsche clubs and registries are welcome. Membership in PCA is not required.

Porsche owners looking to compete will have the choice of entering their cars in either the people’s choice or concours categories. Special, one-of-a-kind trophies are being made just for this event. Other Porsche owners will have the opportunity to include their car in the display only Porsche corral. All will be treated to a stunning display of more than 500 Porsches, access vendors, and enjoy the camaraderie of fellow car enthusiasts. The 2014 show will feature the latest Porsches special vehicle presentations, celebrity guests, and a surprise or two.

**Four wheels glued to the road.
Five senses fully awakened.**

Take the performance that Porsche is known for. Then add to that the strength of a 400 horsepower engine, the design and greater stability of a wider body, the extraordinary traction and agility of all-wheel drive, and an unmistakable illuminated rear light strip. The sum of which is a sports car that holds your attention as tightly as it holds to the road. Porsche. There is no substitute.

Owners Name : Mike Sherman
Purchased Date : 12/23/13
Year and Type of Porsche : 1987 Porsche 928S4
Outside Color : Marine Blue
Interior Color : Silver Grey/Blue Leather
Transmission Type : Manual

My Brumos Driving Experience

By Joe Cannon

This was the Brumos Driving event I won through a charity raffle. It included a loaner Porsche from Brumos for the weekend.

I had a wonderful time at the Brumos Driving Experience in not so sunny Gainesville, Florida the beginning of February. The weather was about 50 degrees and the track was wet with a light mist and occasional rain sessions. There were 18 P-Cars, of all ages, sizes and shapes participating.

The event was held at the Gainesville Raceway and I was lucky enough to have the legendary Porsche endurance racer, Hurley Haywood, instructing my group, alternating with Andrew Davis from the Brumos GT3 racing team. To have such a storied racing champion drive my loaner Porsche from Brumos, and then as a passenger, teach me a so many things while going around the track was incredible. He is soft spoken and a true gentleman. It's amazing how smooth his lines and throttle modulation are! Of course he has over 30 years of experience and his championship record speaks for itself.

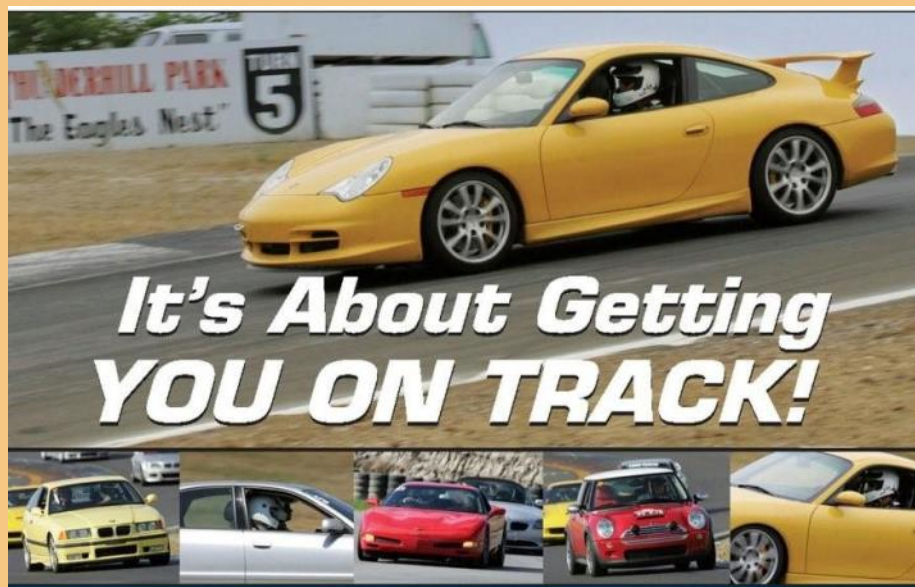

Following some morning classroom discussions and breakfast, it was off to the track for the exercises. For the cones, figure 8's, braking and cornering exercises, we were instructed to turn off the traction and stability management. This really gives you a feel for how amazing these cars are, even with the PSM system turned off. A great catered lunch and feedback, Q&A on the

morning exercises and then back to the track. Fortunately the weather cleared up enough where wipers were not needed for the most part. For the final 3 exercises, which put together all the other exercises into two timed laps, we were allowed to turn on the traction and stability control systems. In order to complete the course, you had to safely, and I should say aggressively complete two laps of the course and they used your best time and the instructors were posted around the track to observe you.

After graduation, the finale was hot laps in the 1991 IMSA Supercar Champion 964 Porsche 911 Turbo SuperCar driven by Hurley Haywood. I have been in some fast cars but I have never been in anything like this with a championship driver behind the wheel. The sheer violence of the acceleration along with the constant braking, heel-toe shifting, and steering/throttle modulation while strapped into such a Spartan environment gives me a new found respect for endurance drivers. This man is truly an athlete.

Again, what an experience!

Autocross

Autocross is a sport of trying to navigate your car through a defined course of pylons usually on a large parking lot, faster than your competition. Autocross courses are set up using soft orange traffic pylons which will not damage your car, but they do melt! Events are run at speeds usually between 40-65 MPH, usually in 2nd gear. Autocross is a *"performance driving event"* and a safe way to learn how to drive your car at its limit. You not only learn how to handle your car at speeds that you drive daily, but you also:

- Gain confidence in your driving ability
- Learn the limits of your car's brakes
- Learn correct seating, hand, and feet positions
- Learn the limits of your car's tire adhesion

Finally, Autocross is a social gathering of new and old friends and LOTS OF FUN!!

Check www.pca-ggr.org for more information and the scheduled events.
